

Vince Poscente is a master communicator who speaks from experience. Experience that that lights up a room full of people or jumps off the page in an entertaining and substantive way.

"We will not thrive by 'coping' with our more-faster-now world. Seeking to 'manage' our way to bottom line results is not the way. We will individually and organizationally thrive by embracing and harnessing the opportunities that us."

Now is the time to use Vince Poscente's expertise to your advantage. His against-all-odds Olympic strategy is powerful way to have your team engage in extraordinary outcomes. Vince is a business guy who decided he would compete in the Olympics four years after his 26th birthday. At the age of 30 Poscente was vying for Gold, skiing at an incredible 135 mph on skis. With his acumen for fast results, he soon became a prolific author, consultant and speaker, guiding corporations around the globe toward accelerated personal and organizational results.

While others tend to 'hang-on,' Poscente illustrates how to get **down to business and up to speed** for a competitive advantage. Through powerful examples and edge of your seat stories, your audience will be energized and ready to tackle the tough challenges ahead of them.

*"Simple motivation is not the only thing audiences want to hear today. My job is to light the path of **how** we get through this together – in short order. This starts by doing what the competition is not willing to do."*
