Some Franchise Industry Feedback Since 2010

Dear Vince,

Thank you for delivering another excellent keynote to our franchisees. Your presentation was 'right on' for what we needed. Thank you and hope you are blessed every day of your life like we are.

Bob Funk - CEO and Founder, **Express Employment Professional Services** (2.27.11)

Hey Vince,

YOU are a main reason why I made the "People's Choice - Most Influential Real Estate Leaders."

Impressive long-term impact since I saw you speak six years ago, back in 2004 at Star Power for Realtors.

Tricia Andreassen - Real Estate Professional (10.29.10)

Vince,

Thank you for the excellent presentation to our clients at the annual Forum on Moving in Chicago. As many of our clients are in the human resource sector of industry I believe your presentation would be of value to the Human Resource Professional Association here in Canada, which we are a member and a major sponsor. Your experience and presentation certainly focuses in on many HR issues and challenges. This is the second time I have attended your sessions and it is a definite learning experience. Sincerely,

Bob Clark - President, **Atlas Canada** (4.26.10)

Vince,

Unbelievable talk you put on for us at the **Certa Pro Painters** conference in Vegas. I am still telling people the little quips and quotes you used during you talk. Relevant and meaningful, your story helps me keep things in perspective. Thanks again,

Andrew Hoyt – Owner (Franchisee), **Certa Pro Painters** (1.22.10)
